

DIVISION OF  
STUDENT  
AFFAIRS

# 2023 2024 IMPACT REPORT

## The Division of Student Affairs at Oklahoma State University

is dedicated to providing transformative experiences that empower students to reach their full potential and prepare them for success after graduation.

As a campus entity that creates touchpoints with every student, Student Affairs engages students across all academic colleges. Our programs, services and events offer the Cowboy Family a sense of belonging, support and opportunities for personal and professional growth.

This annual Impact Report highlights several key achievements from the past academic year. From shaping students to be the ideal graduate to fulfilling the Land-Grant mission through service and education, we take pride in the positive impact we've made.

As we reflect on a year of accomplishment and innovation, we look forward to what's ahead. Working with our partners on and off campus, we are dedicated to collaborating and building new opportunities for students and the communities we serve.

# ● INVOLVEMENT & PERSISTENCE

The Division of Student Affairs provides students with countless opportunities to build friendships, grow personally and engage in experiences that prepare them for life beyond graduation. Student involvement in these activities has a direct, positive impact, as evidenced by increased persistence, higher enrollment and improved graduation rates.

**This year, we tracked data from over 4,000 events, highlighting the expanded reach and influence of our Student Affairs programs.**

## 98% INVOLVED

Percentage of OSU freshmen who participated in a co-curricular event, with **87% participating in five or more events.**

## HIGHER GPA

Freshmen who participated in a student organization had an average **GPA of 3.4**, and students active in our residential life living learning programs averaged a **3.3 GPA.**

## 3.3X MORE LIKELY TO RETURN

Students who participated in at least three co-curricular events were over **three times more likely to re-enroll** at OSU the following year.

## 12,909 IN STUDENT ORGANIZATIONS

The **475 active student organizations** on campus saw involvements from students across all academic colleges.

## 699,852 TOTAL PARTICIPATIONS

This includes involvement in events and programs among all students during the 2023-24 academic year.

## 91% RETENTION RATE

Students who lived on campus in our living learning programs had **higher retention rates** than the general campus population.

# ● MENTAL HEALTH & WELLNESS

The wellness approach in Student Affairs involves making a connection between health, learning and student-wellbeing. The mental health of our students continues to be a top priority for the Division. The prevention efforts coupled with clinical services make a significant difference in the lives of students.

**Access to mental and physical health services is more important than ever. These programs and services allow OSU to provide much-needed support to our Cowboy Family.**

## COUNSELING

University Counseling Services provided **9,022 in-person counseling sessions** to **1,173 OSU students**—an increase of 810 total in-person counseling sessions over the previous year.

**27,668 volunteer hours** completed

**3,020 students participated** in volunteer service

**\$650,835 raised** in philanthropic efforts by OSU students

# ● SUPPORTING THE IDEAL GRADUATE

Every student comes to OSU with a dream for their future. Along the way there are Student Affairs professionals who work with them as they walk the path of career discovery and preparation. In addition to the excellence delivered through degree attainment, our students achieve success through certain specific competencies developed through their learning experience, allowing them to impact their communities as servant-leaders.

**Our graduates exhibit an understanding of their role in positively impacting the lives of others and graduate with knowledge, skills, values and abilities that enrich their lives.**

## PERSONAL RESPONSIBILITY

Personally responsible graduates demonstrate the ability to navigate challenging situations, display an understanding of personal and career-relevant finance, strive to expand knowledge base, and/or express resilience in problem-solving. Much of this is achieved through student employment, career exploration and graduate assistantships.

**\$4.52 million paid** to student employees and graduate students in the Division of Student Affairs

**1,392 undergraduate and graduate students employed** in Student Affairs through part-time jobs and assistantships

## ETHICAL LEADERSHIP

An ethical leader strives for the highest common good. OSU graduates diligently reflect on their own experiences and welcome the lived experiences and contexts of others. They inspire and act with care, authenticity, attention to equity and courage. They embrace responsibility for moral decisions, behaviors and actions.

**3,720 students engaged** in intentional leadership development courses, programs and outreach

**Hargis Leadership Institute** was one of only 25 universities in the nation to earn the Carnegie Elective Classification for Leadership for Public Purpose

## STATE OF ORANGE A DAY OF COWBOY SERVICE

Held in April of 2024, the inaugural State of Orange: Cowboy Day of Service saw more than **3,500 volunteers across the state of Oklahoma and beyond**. Cowboys came together to live out the Cowboy Code and help those in need.

To achieve greater impact, State of Orange partnered with **Into the Streets**—a semi-annual student event in the Stillwater area focused on one day of meaningful service each semester.

Participants answered the call to volunteer at more than **350 event locations nationwide**, demonstrating how the university's land-grant mission extends beyond the classroom and into the community.

# ● STUDENT SUPPORT

As students balance academic and other life commitments, it is important they feel a consistent foundation of physical, psychological and social support. The Division of Student Affairs provides the people and programs to meet students' needs so their studies can continue uninterrupted. The Division has developed resources to anticipate both unexpected and ongoing needs and deliver these to students in a timely manner.

**Our programs and services provide vital support to students and are a prime example of OSU's Culture of Care.**
